Disclosure

Albany Medical College endorses the standards of the Accreditation Council for Continuing Medical Education (ACCME) and the guidelines of the Association of American Medical Colleges (AAMC) that the sponsors of continuing medical education activities, speakers and **planning committee members** of these activities disclose relationships with ineligible companies. An ineligible company is any entity whose primary business is producing, marketing, selling, re-selling, or distributing healthcare products used by or on patients. Relationships include but are not limited to receiving from an ineligible company: research grants, consultancies, honoraria and travel, or other benefits or have a self-managed equity interest in a company.

Albany Medical College has implemented a mechanism to identify and mitigate all conflicts of interest prior to the educational activity being delivered to learners
